Felixstowe Seafront

Maritime safety zone

Mariners are advised that an air display with low flying aircraft will take place on Saturday 24th June 2017. Due to the type of aircraft taking part within this display a Safety zone of approximately 250m will be placed around the Centre of Display Point Marker, as shown in the plan overleaf. This allows for an emergency crash zone from each possible flight path into the display area.

Point Marker for Centre of Display will be the end of Felixstowe Pier Position:

Latitude: 51°57.39'N, Longitude: 001°20.92'E

The Safety zone will be marked with yellow marker buoys and will be enforced from 15:00 - 15:30
