## Harwich Harbour

### Maintenance dredging – Harwich Haven berths and approaches

Mariners are advised that on or about the 8<sup>th</sup> September 2017 the dredger *HAM 316* will commence maintenance dredging of the Harwich Haven berths and approaches for a period of approximately 12 days.

Dredging will take place in the following areas:

- Channel edges (Buoys 1-8), outer channel and the Beach End bend
- Harbour dredging around 11<sup>th</sup> September until approximately 19<sup>th</sup> September

Material from these areas will be disposed to the Inner Gabbard disposal site.

The plough dredger *Norma* and the survey vessel *Shamrock* will be supporting the operation commencing on or about 7<sup>th</sup> September 2017.

Detailed dredger movements can be obtained from Harwich VTS on VHF Channel 71.

Lights and shapes as required by Collision Regulations will be exhibited and a listening watch on VHF Channel 71 will be maintained throughout.

**Notice to Mariners No. 13-2017 is CANCELLED**
