## Ha'penny pier pontoon refurbishment works

Mariners are advised that on or about Wednesday 3rd January 2018 Harwich Haven Authority will carry out essential improvement works to the pontoons at Ha'penny Pier, Harwich.

The pontoon section at the western end of the mooring berth – see image below – will be removed and repaired off site. It is the intention to re-install the pontoon section on or before the start of the new sailing season, which begins Friday 30th March 2018.

While repairs are taking place the remaining sections of the pontoon in the mooring facility will remain open to the general public. The repairs will not affect the operations of the Harwich Foot Ferry.

Details of the works can be obtained from Harwich VTS on VHF channel 71.
