## Harwich Harbour

### Clearance of obstruction on seabed in navigational channel

Mariners are advised that the previously reported object on the seabed has now been cleared from the navigational channel.

It is now located 5m outside the buoy line with coordinates 51° 56.9185' N, 001° 18.1985' E (WGS 84).

The minimum available depth above this object is 12.6m below chart datum.

**Notice 50-2018 is rescinded.**
