IMPORTANT INFORMATION: REVISIONS TO THE USAGE OF THE MOORING FACILITIES ON HA'PENNY PIER TO MANAGE THE SPREAD OF THE COVID-19 VIRUS

To manage the current Covid-19 virus outbreak we have revised the mooring usage on the Ha'penny Pier pontoons.

With immediate effect, and until further notice, leisure-type vessels **are not permitted to berth on the Ha'penny pontoon facilities**. This action has been taken to protect our employees and aligns to current Government guidance to stay at home if possible.

The revised usage notice **does not apply to registered fishermen who can continue to use the pontoons**.
