

Notice to Mariners

Number: 56
Year: 2024
Issued: 05 September
In force: **2023:** 48, **2024:** 10,15,18,39,50,52,53,54,55,56

Surveyed Depths – Harwich International Port and approaches – Update 1

Mariners are advised that recent surveys have identified reduced depths in the approaches:

- Area dredged to 8m (not including berths): Minimum depth - **7.5m** below chart datum
- Area dredged to 9m (not including berths): Minimum depth - **8.2m** below chart datum

See survey chart extracts below for further information and berth depths.

For further information contact the Harbour Master Team at Harwich Haven Authority (+44 1255 243030).

Will Barker

Marine Director (Harbour Master)
