

Keep safe... keep a look out.

Large ships often have restricted visibility

If you can't see the ship's bridge, then the captain can't see you. Keep a safe lookout. Be aware of closing speeds. Be aware that a vessel can't see you.

Jet Skiing is permitted in the areas marked on the map with the permission of the Harbour Master. Before entering the area, please contact Harwich VTS via VHF Channel 71 or telephone 01255 243000.

Behave responsibly. Always wear a lifejacket. DON'T TAKE THE RISK. Danger may arise unexpectedly from the wash caused by passing vessels.

Live data. Take a look at our live, up to the minute hydrographic, meteorological and vessel movement data.

Approximate times and heights to be applied to Harwich High Water predictions:

Please refer to UKHO tide tables NP201 - www.ukho.gov.uk - for more accurate information.

Total data at Harwich: All predicted heights are given relative to Chart Datum of Harwich Harbour, a level of 2.02 metres above Ordnance Datum (Newlyn).

Caution: The height of the tide may be affected by meteorological conditions. Winds between S.E. and S.W. or a high barometer, cause a decrease in height...

Table with 12 columns representing months from January to December 2025, and multiple rows of tide data for different locations.
